

Product Name: Torino Solar Garden Light

Part Number: 42303

Brief Description: Torino is the ultimate solar garden light for brightness, length of run time, beauty and durability – only for those who demand the best.

Catalogue Description: Torino features the two of the all-new 20,000 MCD bulbs – now the brightest LED's ever fitted to a solar garden light – (we think!). Torino is using the new "Infinity Maxi Plus" solar panel to ensure that nightly run times still achieve our benchmark of up to 8 hours. Torino is one of the brightest lights in its class and will give a 2.5m diameter of light – great where only the brightest light will do.
