3 in 1 solar Toy Set

POWERplus introduces the Scorpion, a new 3 in 1 solar toy set.

Fun and educational for children and adults alike.

Learn about the power of the sun and solar energy with this versatile 3 in 1 solar toy set.

Create 3 different solar powered models that come to life when exposed to sunlight. Each model has easy to follow step by step instructions to ensure endless hours of fun and education.

The POWERplus® Scorpion comes with a clear multi-language instruction manual with clear pictures so you can easily build the 3 different models step by step.
